Jumping Derby and Dressage Test Schooling

June 20th

Fran O'Reilly is a well respected USEF Large R Eventing judge who has also ridden through the advanced level. She is actively judging throughout the United States. Most recently, Plantation Field, Unionville PA., Green Mountain UT., Abbee Ranch Co., Temecula CA. and Rebecca Farms MT. She trains and teaches out of Vashon Island, WA.

On Saturday morning, take a lesson with Fran to fine tuning your dressage test or discover new skills/exercises designed to improve your horse's dressage and jumping performance. Perform your dressage test Sunday under Fran's watchful eye to reinforce your skills and gain useful feedback. A judged re-ride is offered to further solidify what has been learned.

During the afternoons Fran will assist each horse and rider with exercises to improve jumping and cross country skills in the Derby field over varied terrain and obstacles. The Event Derby on Sunday offers an opportunity to practice these jumping and cross country skills.
